No suitable replacement is available in the market.

- **Last buy date:** April 15 , 2019

The TCP vendor has officially announced that all TCP products containing FO-VLP 18um copper foil material production will be discontinued, therefore, Winstar forced to discontinue all our TAB modules. We need our customers' understanding and cooperation to the above captioned issue. If there have further questions, please feel free to contact our sales persons or via sales@winstar.com.tw. Thank you.

Best regards,

John Lin
